

EPOS ERIC @ CERIC workshop In-kind Contributions in the life of an ERIC in Munich, Germany, 5 December 2019

Date:

Tuesday, December 3, 2019 - 16:00

On December the 5th, 2019 the EPOS [ERIC](#) executive director Massimo Cocco will attend the CERIC workshop focused on in-kind contributions within Research Infrastructures, in particular in ERICs. The workshop will take place at the TUM Entrepreneurship Research Institute (ERI).

Massimo Cocco will present: *IKC to the implementation and operation of an RI/ERIC* (Based on the availability and use of equipment existing and planned to be improved “insitu”.)

The aim of the event is to increase the awareness among the existing and future ERICs and with the EC about the emerging best practices and find the best approach to solve the pending issues and different interpretations related to the in-kind contributions.
